Signing into the Samsara Driver Portal

Samsara · https://milo.masseyservices.com/docs/samsara-telematics-support/

All drivers must install the Samsara application on their iPads today. This will allow everyone to begin using and engaging with the app.

Here are the steps to the process:

1. Download the Samsara Driver app on the iPad.
2. Open the App
3. Now you should see the Driver Sign-In screen
4. On the Fleet ID (e.g., ABCTrucking) line type: **massey-services-inc**
5. **Username**: type the driver's employee ID#
6. **Password:** Massey85
7. Hit enter
8. Allow notifications
9. Skip the vehicle screen by just hitting enter
10. You are now logged in
