Subject: Service Center Recap

Approved By: Tony Massey

Effective Date: June 1, 2014

Last Reviewed Date: February 8, 2024

Policy Owner: Vice President of Business Development

- The Service Center Sales Recap is to be prepared by management every Friday. The information for this report should be taken from the Daily Sales Activity Report (DSAR). This report must be updated on the “G” (Global) Drive every Friday by 10:00 AM.
- Once the Lead Count reconciliation has been performed at month end using the telephone call books, lead logs, Daily Sales Activity Reports and computer reports to assure an accurate count, a Final Sales Recap is to be prepared. This report must be updated on the “G” (Global) Drive on the first day of the month before 12:00 PM.
- The Service Center Sales Recap is Service specific, with one page for Pest & Termite Services and one page for Landscape Services

The Service Center Sales Recap is prepared as follows:

1. **Service Center:** in the upper right hand corner record the service center name and number.
2. **MTD thru Day:** record the date the report is being prepared for.
3. **Date:** the date the report is being prepared.
4. The **Pest & Termite Sales Recap** is divided into two sections: PEST PREVENTION and TERMITE PROTECTION and the Landscape Services Sales Recap is divided into two sections: LAWN CARE and LANDSCAPE IRRIGATION / RENOVATION. Under the appropriate sections, record the following information:
 - i. **Name:** record employees’ names. Every Service Center employee with sales should be listed.
 - ii. **Position:** record current position (i.e. Inspector, Account Manager, Service Technician, Service Manager, etc.).
5. **# MTD** – Marketing Leads received.
Rec’d – number of Marketing Leads received month-to-date
Sold – number of Marketing Leads sold month-to-date
% - Marketing Lead closure (calculate by dividing number sold by number received)
