PP No.: 1404
Section: Licensing and Certification
Subject: Pest Control Identification Card
Approved By: Tony Massey
Effective Date: September 10, 1990
Last Reviewed Date: July 22, 2026
Policy Owner: Senior Director of Government and Regulatory Affairs

Every manager, inspector or service technician specialist is required to be issued a Pest Control Identification Card (PCID) by the State of Florida.

This application for PCID is to accompany the hiring personnel package with a clearly recognizable, full-face, head and shoulders photograph of the team member.
